HOUSE CLEANING PRODUCTS LIST

MUST HAVE CLEANING PRODUCTS

- All-purpose cleaner & disinfectant ***
This type of cleaner works on most surfaces of the home, from the surfaces of your kitchen like countertops, sinks and stovetops, including and floors as well as bathrooms.
- Glass cleaner ***
We recommend a streak-free formula to clean your mirrors, windows and other glass surfaces with less effort.
- Toilet, tile and grout cleaner ***
An acid-based, scrub-free solution works best on bathtub and shower tile, as well as toilets.

OTHER SPECIALTY CLEANING PRODUCTS YOU MIGHT NEED DEPENDING ON THE CLEANING

- Hard-water cleaner (Pumie Stone on toilet or Lysol Toilet Bowl Cleaner)
- Oven cleaner (Heavy Duty)
- Dish soap
- White Vinegar
- Hardwood floor polish
- Mr Clean Magic Erasers
- Glass top cleaner for stove top
- Bleach
- Googone
- Baking Soda
- Wood Cleaner (we dont polish floors)*

Prior to any booking check if we provide all the cleaning supplies and equipment to perform the service. (as in some areas we offer all supplies and equipment and some we don't).

* Minimum products required for a standard cleaning. Depending on the needs, provide the necessary cleaning supplies and equipment.

*1 we're not responsible for any damage by products or equipment we don't provide.

Schedule, Manage & Track, Anytime, Anywhere.
